

**South-Western Preschool Center  
Peer Model Program Contract  
2017-2018 School Year**

- I understand that my typically developing child will be enrolled in a classroom with children with disabilities. I fully understand that the enrollment as a peer model is strictly for one school year and does not automatically mean that my child can be served in the South-Western Preschool for an extended period of time. The South-Western Preschool Center shall contact me at least two (2) weeks prior to the effective date of terminating services to my child (if needed). I fully understand that the decision for displacement of a peer model shall be at the sole discretion of the South-Western Preschool Center.
- **I understand that my child must be fully toilet trained** to attend school or will be placed on a waiting list. Toilet trained means your child must be independent in toileting (ex: wears underwear & not pull-ups or diapers, minimal toileting accidents).
- My child may not attend the program until all necessary forms are completed and on file.
- I am responsible for payment of the monthly fee whether or not my child attends the program every day. Checks should be made payable to "South-Western Preschool Center" or "SWPSC". You will not receive a monthly bill; it is your responsibility to pay on your own the first week of each month. Checks returned for NSF (non-sufficient funds) will need to be paid in cash and a \$10 fee will be charged. If we do not receive a payment / explanation by the 30<sup>th</sup> of that month, then your child will be requested to stay at home until payment is received. Consecutive missed payments will warrant dismissal from program.
- The cost for the 2017 - 2018 School year is \$90.00 per month (September through May) due the first week of each month. There is also a sliding fee scale based on income, please contact us with income verification if you have an interest in this.
- I agree to provide additional fees and supplies for special activities when applicable.
- Enrollments will be made on a first come / first served basis as applications are received. In the event a program site should fill all available spaces, a waiting list may be established.
- I understand that bus transportation is not available for peer models and I accept the responsibility of transporting my child to/from preschool. **I agree to pick my child within 5 minutes after dismissal or accept possible consequences.**
- I will call the program site on the days my child is not in attendance.
- I will notify my child's teacher of any changes in my application information or student enrollment forms.
- I am aware that the locations of our "satellite" classrooms are determined by SWCS enrollment and changes may occur.
- A Parent Handbook which contains detailed information on the Program's policies and procedures will be available on my child's first day of attendance. I agree to obtain and read the Parent Handbook. In return, the SWCS Preschool Program agrees to provide care for my child, which meets the standards and guidelines of the Parent Handbook and is in accordance with all applicable city, state and federal requirements.
